

PRESS RELEASE

EnCon United Announces Corporate Management Team Growth

Denver, Colo. (November 10, 2014) - EnCon United, the parent company of several leading architectural and structural precast prestressed concrete companies located across the United States, is pleased to announce a new addition to its corporate management team.

Jack Tubbs, P.E. has joined EnCon Companies as Director of Preconstruction, bringing over 27 years of engineering and construction experience to the EnCon team. In his role as Director of Preconstruction, Tubbs' responsibilities include developing and managing new business development opportunities for EnCon Construction, EnCon Renew, EnCon Utah, and Stresscon Corporation. Additionally, Tubbs is responsible for business process initiatives and improvement, preconstruction design assistance and value engineering, sales, new market development, and product development.

Tubbs has been actively involved for many years in the business development and preconstruction communities. His previous experience includes commercial and industrial building construction, building design, energy studies, and preconstruction services in bid, negotiated and design-build projects. Tubbs is a licensed engineer in the states of Colorado, Illinois, Indiana, Kentucky, Michigan and Wyoming. He is also certified by the National Council of Examiners for Engineering and Surveying and licensed as an International Code Council, National Standard General Building Contractor (A).

About The EnCon Companies

The EnCon Companies are specialty contractors providing design assistance and engineered precast/prestressed concrete systems and services to all facets of the construction marketplace. As a full service precaster, EnCon designs, manufactures, and installs a wide range of high quality architectural and structural building components. Recognized as one of the leading precast companies in the United States, EnCon is pioneering the use of the latest technology for the design and fabrication of the precast structures. EnCon United is the parent company of Stresscon Corporation, EnCon Colorado, Atlanta Structural Concrete, EnCon Design, EnCon Washington, EnCon Northwest, EnCon Utah, EnCon Renew and EnCon Field Services. EnCon currently sells its products in over 20 states. For more information, visit www.EnConUnited.com.
